Re: Second General Notice of Potential Liability Pursuant to CERCLA Section 107(a) for the Lower Duwamish Waterway Superfund Site, Seattle, Washington

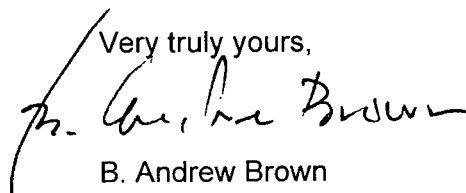

Dear Mr. Fidis:

We represent Richard C. Woeck and the Woeck Family LLC. We do not represent Marine Power & Equipment Co. Inc. ("MPE"). We write in response to your letter date stamped November 7, 2012, concerning "Second General Notice of Potential Liability".

This is to confirm, consistent with the response previously provided you by our submittal of April 2010, that neither Richard C. Woeck nor the Woeck Family LLC have any involvement with MPE or the Duwamish property previously occupied by MPE. Neither Richard C. Woeck nor the Woeck Family LLC represent MPE in any capacity whatsoever. Please correct your records to reflect these facts.

Please contact me if you need any additional information. Thank you.

Very truly yours,

B. Andrew Brown
